Regulatory Compliance

The above mentioned product(s) meet the relevant requirements of the following directives or regulations*:

Regulation (EU) 1169/2011:

None of the substances listed as causing allergies or intolerances in Annex II of Regulation (EU) 1169/2011 are intentionally added or expected to be present. Such allergens are not used on the manufacturing site. Please note that testing on the presence of such substances is not performed in our quality control.

* For Information on compliance to COMMISSION REGULATION (EU) No 10/2011, please request BERICAP's EU Declaration of Compliance.

Absence of Substances

We confirm, that for the production of our above mentioned products we, and the suppliers of the raw materials contained (polymer, masterbatch, slip agent, liner), do not intentionally add the substances listed below:

Bisphenol A

None of the above named substances are intentionally used as additives or raw materials in the manufacture of this product. However, since we do not systematically perform specific tests to verify the absence of these substances, we cannot guarantee that there is no trace amount of these substances, as impurity or otherwise, in this product.

The information contained in this document is to our knowledge accurate as of the date of publication and for the named product as manufactured by BERICAP. It is the customer's responsibility to test and evaluate our products in order to ascertain the suitability of the products for the customer's particular purpose. The customer is also responsible for the appropriate, safe and legal use, processing and handling of our products.
